CABINETS

exceptional cabinetry made affordable.

the
secrets
of our
popularity

The kitchen is the clear centerpiece of the American home. Family and friends gather naturally in a welcoming space of warmth. 6 Square makes those spaces beautiful and beautifully affordable. Today's homeowners are looking for quality that lasts, quality that looks impressive and quality that lives within their price range. 6 Square is built for the American kitchen and the American consumers' budgets & tastes. We design, engineer and build in the USA, to deliver the highest quality, value and service.

6 SQUARE
CABINETS

Simply put, we build amazingly solid, best-in-class cabinets. We've designed one dozen highly popular styles that are both classic and traditional with a contemporary flair. We offer a fine selection of species and finishes to complete the look of any American kitchen. 6 Square is superior craftsmanship that's comfortably affordable and tremendously attractive.
